Riverside Manufacturing  
P. O. Box 460  
Moultrie, GA 31776-0460

Dear Mr. Vereen:

Southwest Mississippi Electric Power Association is a new user of your uniforms. We are using your shirts, jackets and jeans for our outside employees. We also ordered your new chambray shirt.

The quality of materials being used by your company is as good as we have found (made in America). The cooperation of your sales person, Vicky Bishop, was most helpful in making the transition to a new supplier and product. The packaging, invoicing and delivery of our order was as promised.

We are very pleased with our new supplier and product.

Yours truly,

Azalea Knight  
Benefits Administrator
